ASSIGNMENT - Land - (Bellary) - Bellary [redacted]Gonikchal village - S.Nos. 71 and 104-B - Sivaijama occupations - Assignment to Bingapra Basaya and six others - Sanctioned.

Copy of Board's Res.Rt.No.5317 dated 12th September, 1947.

Grow More Food - Sinking of Wells - (Bellary) - Bellary Taluk - Genikehal village - Grant of subsidies and loans to Harijans.

Read the following:-

1. Government Memorandum No.4659 G/46-1 Rev. dated 17-9-1946.
2. " " G2/46-6 " " 26-4-1947.
3. Board's Ref: No.V.Spl.1408/47-1 dated 14-5-1947.
4. From the Collector of Bellary, R.O.C. No.5088/47-A.3, dated 18-7-1947.

OUTLINE:

Submitted to the Government in continuation of the Board's reference cited above.

2. Of the 15 signatories to the petition to the Government, one is not in the occupation of any land, one has signed his name thrice and another twice over. The number of signatories to the petition therefore reduces itself to 11. Of these, Nos.1 and 2 referred to in para 1 of the Collector's letter submitted herewith, namely Haribasappa and Padepna have been granted special pattas under R.S.C.15(38) in respect of the lands in their occupation, i.e. R.Nos.220 and 430/B.2 of Genekehal village. They have also been granted a subsidy of Rs.500/- each on the security of the special patta lands.

(b) The lands in the occupation of other petitioners have not been assigned to them although in most cases they have been in the occupation of the lands for a long time, because of the general ban imposed by the Government on such assignments pending a decision on the question of individual grants of land to ex-servicemen.

(c) Under the general rules applicable to the grant of subsidy loans, civilians are not entitled to be granted any subsidies. As, however, the persons concerned are Harijans and as the period of occupation is 16 years in most cases the Board considers that their cases should be treated as special. It accordingly recommends that the Government may be pleased to sanction the final assignment, as a special case, of the lands in respect of the seven Harijans (Nos.3, 4, 5, 6, 7, 11 and 12 in para 1 of the Collector's letter) who are reported to have been in occupation for 16 years. They will then be eligible for the subsidy loans for their wells.

(d) As regards the remaining two cases where the period of occupation is 2 and 5 years respectively, the Board recommends that subsidy loans may be granted as a special case, subject to the condition that the grantees shall not have any right over the land or the wells and shall surrender the land and wells if it is eventually decided not to assign the lands to them.

From Sri Karibasappa and others, petition dated 2nd September 1946
From the Board of Revenue Res. Rt.5317, dated 12th September 1947

2. In respect of the seven petitioners who have been occupying and cultivating Government lands in Genikehal village for about 18 years the question of assigning the lands to them as a special case, is separately under consideration. 2. From the Collector of Bellary, L.Dis.No.414/48, dated 12-6-1948.

L.DIS:

Submitted to the Government with reference to their Memorandum cited above.

2. As the lands to be assigned to the Harijans of Genikehal village are not valuable lands, no market value has to be collected.

3. The Board is of opinion that from the point of view of Government there will be no gain and from that of the encroachers there will be no loss, if subsidy is granted only after assignment. The objection of the Well Subsidy Scheme is only to grow more food and that object can be achieved even without deciding the question of assignment now, making an exception to general ban.

2. The names of the petitioners, the extent of lands granted to each of them and the period of sivoyjama occupation of the lands is given in para 1 of the Collector's letter on p. 2 c.f. It will be seen therefrom that only 11 people have signed the petition (although there are 15 signatures to the petition) and that of these, 2 have got special pattas, and the remaining 9 do not have any pattas. All the 9 Harijans except 2, occupy the lands for about 10 years and the excepted Harijans possess them for 5 years and 2 years respectively.

3. The two Harijans who possess special pattas have been granted subsidies.

4. As regards the remaining 9 Harijans, the Board has recommended that in respect of the seven Harijans who possess the lands for about 10 years, the lands may be finally assigned to them, as a special case. This is for the R section to consider. Necessary extracts will be given to that section for further action. If lands are permanently assigned the Harijans will automatically become eligible for subsidy under the new Land Subsidy Scheme. The Board of Revenue also recommended that in respect of the two Harijans who possess the land only for 5 and 2 years, subsidy-loans may be granted as a special case subject to the condition that grantees shall not have any right over the land or its wells and shall surrender the land if it is decided not to assign the lands to them. ...the...

Please see the copies of the Bds Proc & Collectrs report & the notes from p 2/ The proposal is to assign the lands in the occupation of 7 Harijans in items 3, 4, 5, 6, 7, 11 & 12 of para 1 of the Collectr letter at p. 2 of so as to enable them to become eligible for subsidy under the New Well Subsidy Scheme. The Harijans are reported to be in occupation of the lands for 16 years & the Sivojanadars are not entitled for grant of subsidies under the New Well Subsidy Scheme, the Board has recommended that the sanction be accorded to final assignment

if one stands in respect of the seven Harijans mentioned above, as a special case.

3/ In this connection it is recommended that there is now a ban on permanent assignment of lands pending consideration of the needs of ex-servicemen. It is, however, understood that under the special reasons urged by the Board in the case of temporary occupation at Dum Dum, the Harijans (say) 10 years, the lands may be assigned to the Harijans as a special case, as recommended by the Board.

RS 1.11.47

Under the rules, the assignment of land at depressed classes should ordinarily be on payment of the nominated market value. The value may be collected in easy instalments and the payment of the first instalment may be postponed for a few years after the date of assignment, if necessary. As the Board has not specifically recommended the assignment free of market value, it is presumed that market value will be collected under the rules. This will be made clear in the draft to be put up.

2/ 2/11/47 In the special circumstances the lands maybe assigned to the Harijans subject to the conditions mentioned in the Note above.

2. The proposal in the file is to assign Certain lands in Gencikchal Village, Bellary Taluk, Bellary district, in the Sivorjamma ~~alleg~~ occupation of Seven Harijans to enable them to become eligible for Subsidy under the new Well Subsidy Scheme.

3. The Board ~~previously~~ recommended that as the Sivorjamadars had been occupying the lands for about Sixteen years they ~~may~~ might be assigned to them. As the Board did not state whether the assignment was to be on collection of market value ~~of it~~ it was asked ~~to state whether~~ in the memo for pp 3-4 c 8 whether the market value will be collected ~~like Presumption in the Govt Memo at PP 3-4 C7~~ under the rules in these cases. ~~was corrected~~ The Board has now stated that as the lands to be assigned to the Harijans are not valuable lands, no market value has to be collected. Para 2 P 6 c — Para 2 P 6 c

4. The Board also considers that the Sivorjamadars can be granted the Subsidy under the Well Subsidy scheme even before deciding the question of assignment.

5. It may be stated in this connection that at the informal meeting of H.M.S, it was decided to lift the ban on permanent assignment. Orders lifting the ban would be issued in due course. Though the question of assignment of land to Sivorjamadars is not been decided, it appears that in view of the long Sivorjamma occupation of the lands by the Seven Harijans, it

be assigned to them ~~treating it~~ as a special case
